

Your story & perspective has power.

Communicate - Connect - Engage

Story Workshops

hosted by **Stories for Action**

Who workshops are for:

- Organizations
- Foundations:
 - sponsor a workshop for your grantees
- Working groups & partnerships
- Community gatherings
- Businesses in all fields
- Classrooms: high school, college, adult-ed

How they can help:

- clearly communicate your impacts & mission with the public
- internal mission-building & narrative shifts
- improve community connectivity
- increase public engagement
- connect with funders
- website & social media content
- grant & academic applications
- public speaking & daily dialogue
- advocacy & policy change

**Workshops are fully customizable
and can include the following:**

- **Clearly articulate the story** of your entity or community (verbal or written)
- **Create space** for individual perspectives to be shared amongst a collective group
- **Create a Communications Roadmap** for approaching a storytelling professional to ensure a cost-efficient & effective product (film, social media, website, etc.)
- **Entry-level training** for DIY video & podcast creation
- **1-on-1 consulting**

90 minutes to multi-day sessions - In-person or virtual
Discounted rates for non-profit organizations
